Cluedunnit Kids: **Exhibit AC01**

Tom Arto - Jeans

## Cluedunnit Kids: **Exhibit FG05**

### **Analysis of Jeans**

The fire-extinguisher in the evidence bag labelled W0019122 is a dry chemical extinguisher which is used for Class B and Class C fires only. It contains sodium bicarbonate (baking soda), which comes out as a powder.

The following exhibit was tested for the presence of sodium bicarbonate.

<b>Exhibit</b>	<b>Item</b>	<b>Finding</b>	<b>Comments</b>
AC01	Tom Arto - jeans	Positive	Matched sodium bicarbonate compound of the seized item in the evidence bag labelled W0019122.
