

You Spin Me Right Round

Instructions: Rotate these shapes using the given instructions. You will need a piece of tracing paper and a sharp pencil.

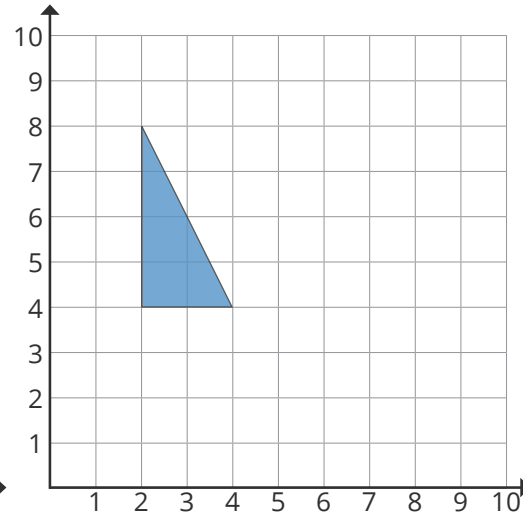

1. Rotate 90° clockwise about the point (4, 4).

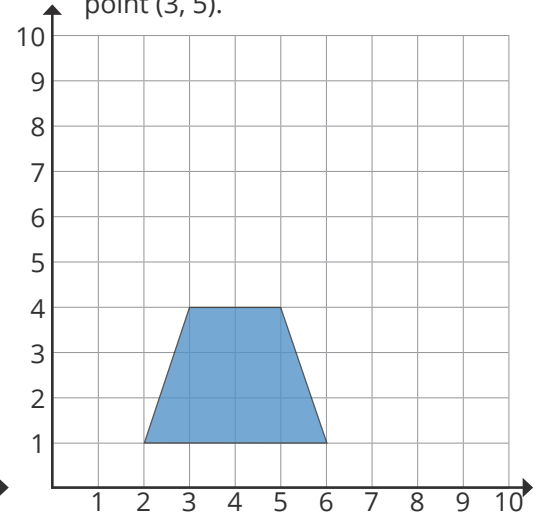

2. Rotate 90° anticlockwise about the point (6, 5).

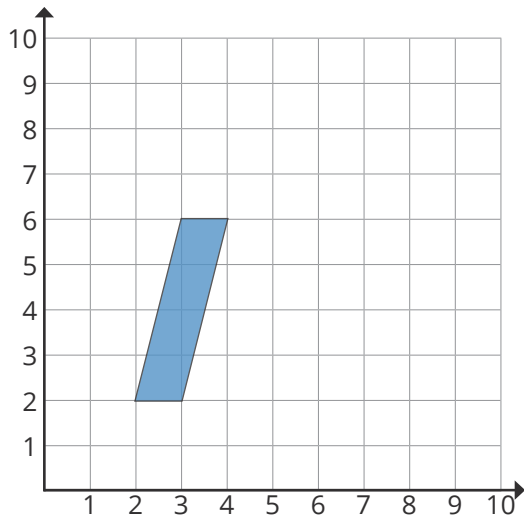

3. Rotate 180° about the point (4, 6).

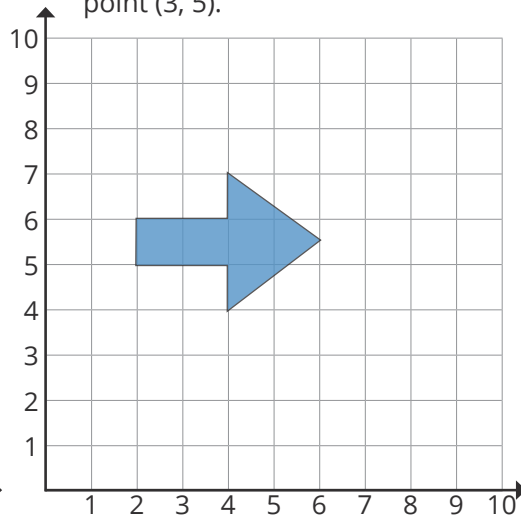

4. Rotate 270° clockwise about the point (3, 5).

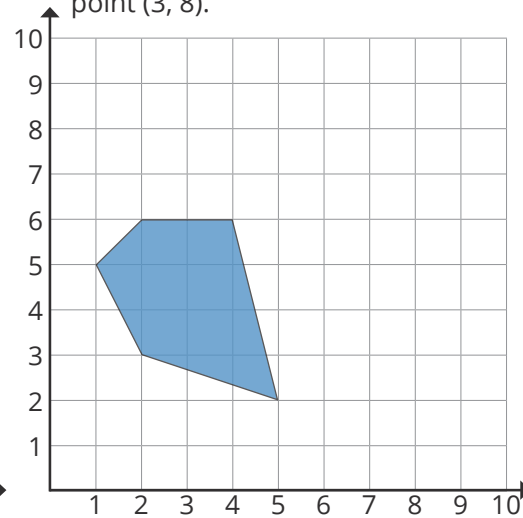

5. Rotate 180° about the point (5, 5).

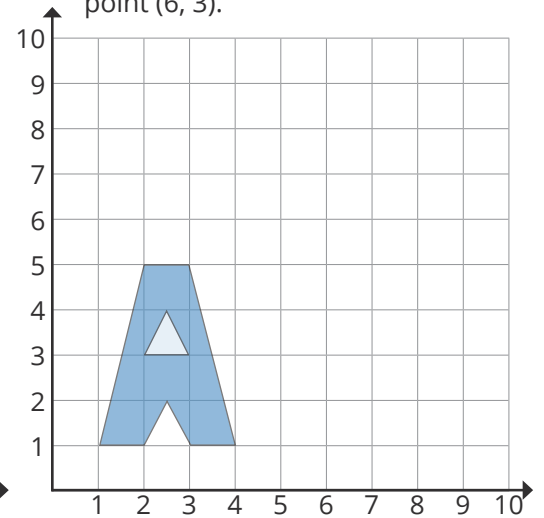

6. Rotate 90° clockwise about the point (3, 5).

7. Rotate 270° clockwise about the point (3, 8).

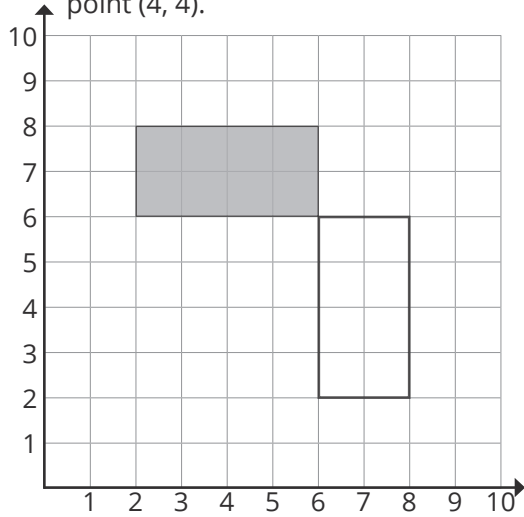

8. Rotate 90° clockwise about the point (6, 3).

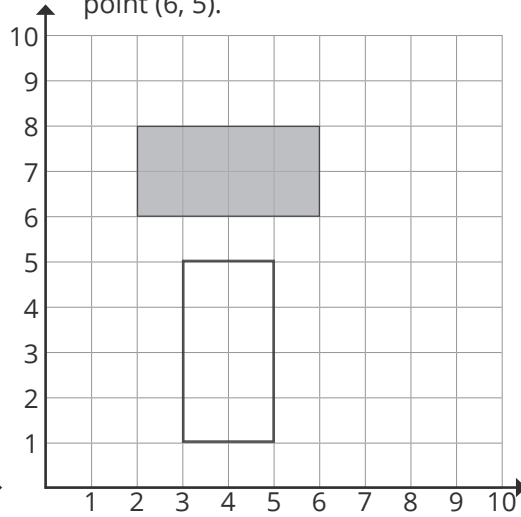

You Spin Me Right Round **Answers**

Instructions: Rotate these shapes using the given instructions. You will need a piece of tracing paper and a sharp pencil.

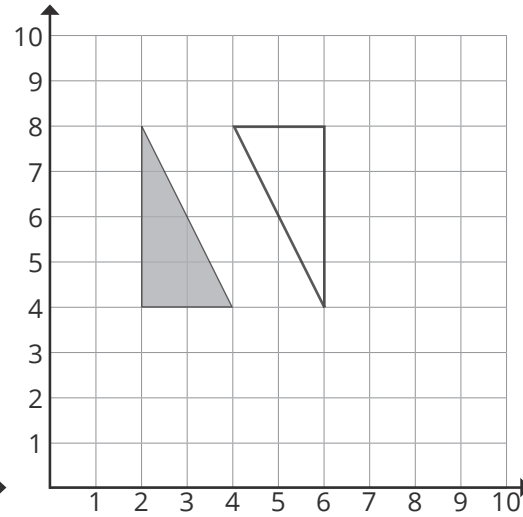

1. Rotate 90° clockwise about the point (4, 4).

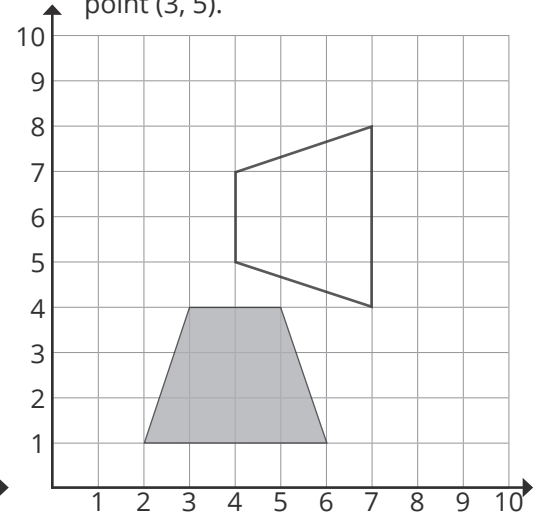

2. Rotate 90° anticlockwise about the point (6, 5).

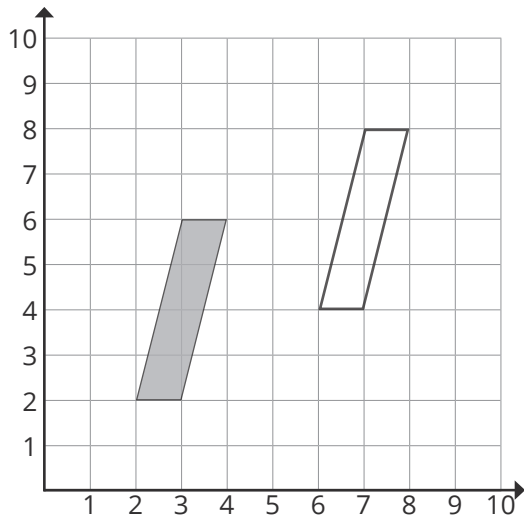

3. Rotate 180° about the point (4, 6).

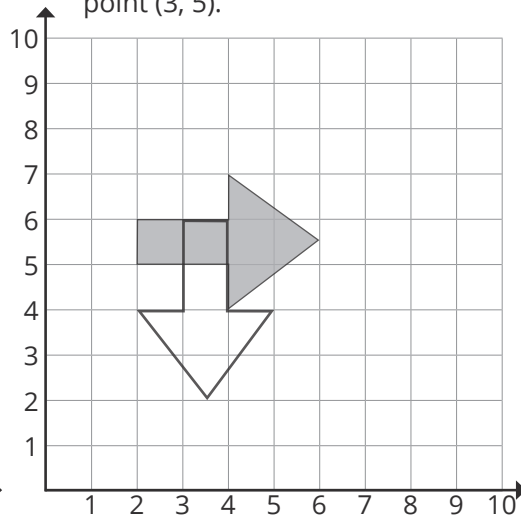

4. Rotate 270° clockwise about the point (3, 5).

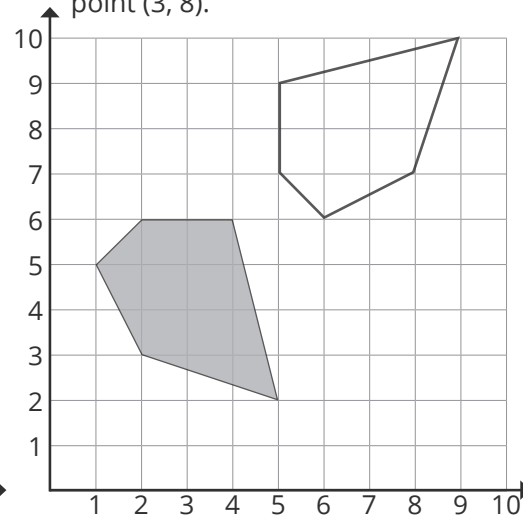

5. Rotate 180° about the point (5, 5).

6. Rotate 90° clockwise about the point (3, 5).

7. Rotate 270° clockwise about the point (3, 8).

8. Rotate 90° clockwise about the point (6, 3).
