

MATILDA

They've come from cities that never close down

SYDNEY

From Mumbai to China and old London town

SOPHIE

But no matter how far
Or how wide they've roamed

THREE GIRLS

They now call Australia home.

ALL CLASS

They wanted to be with family
They wanted to be free
They wanted a new life with the sun and the sea
They parted with their old home travelled to the
unknown
They now call Australia home.

Oliver

Push and Pull, hmm Yeah it Rules
The number one tool to make this country cool.

Myra

People overseas come to live in peace

Claire

From being refugees to earning a degree

Yuki

With war and disease in their countries

?

They decided to leave and make their life a breeze.

ALL CLASS

All the sons and daughters spinning 'round the world

Away from their families and friends

Ah, but as the world gets older and colder

It's good to know where your journey ends.

Sophie

Our diverse population grows more and more

Sydney

Everyday more people arrive on our shore

Matilda

Now you might understand, we hope we have shown,

ALL THREE GIRLS

Why your family calls Australia home

ALL CLASS

No matter how far

Or how wide they roam

They now call Australia home.
